Correspondence:

Letter from Accountant PKS Inc advised that could no longer service the FOP, due to staffing issues. Jeff Brown is looking at our account and will provide a quote to service.

VP Hettinger advised he got a call from Vikings Club that since they have not raised our meeting/dinner prices in 4 years and the price of everything has risen, they will be increasing the cost to the FOP, to include a 15 percent tip added for the servers. VP Hettinger advised once he receives the cost increase, he will let the body know. Brother Albright asked how many meals we pay for each month. VP Hettinger advised the FOP pays for 50 meals regardless of how many people show up, and that if we paid for less the host will have to increase the cost of the room, thus there is no room for savings.
